For Yourself

Motor Ace

Walking late last night
She called me to her side
With wild and pale blue eyes
My heart now, she did sway
Away from another, that is
For yourself, get out
Nobody can make you cry the way I have
Nobody can make ya
On my heart's divide
I swear I could not hide
When she held my hand I died
Of boot heels she did say
You gonna dance in them?
For yourself, get out
Nobody can make you cry the way I have
Nobody can make you
For yourself, get out
Nobody can make you cry the way I have
Nobody can make ya
I lost my babe, cause of my own head
Until I rise again
I lost my babe, cause of my own head
Until I rise again
For yourself, get out
Nobody can make you cry the way I have
Nobody can make you
For yourself, get out
Nobody can make you cry the way I have
Nobody can make ya
