Ultimate Control

Infernal

I, wonder why, Female strangers Passing by,
Makes you high;
Coz, you and I, aint at all,
Not all alone, now
No, no, noIt, seems to me
There are things I'll never be,
Be to you;
Things, you don't dare,
Dare to speak of when you're near me
No, no, noI gave my heart,
I gave my soul,
I gave you all to make you whole,
It's not enough no
It's not enough for you.I gave my heart,
I gave my soul,
I gave you ultimate control,
It's not enough no
It's not enough for you.I gave my heart,
I gave my soul,
I gave you ultimate control,
It's not enough no
It's not enough for you.Yes I did
Yeah I did,
I gave you ultimate control,
Yes I did
Yeah I did,
I gave you ultimate control,I gave you ultimate control,
Yes I did
Yes I did
