Meteorite

The Supernaturals

Gotta get her
Did you know the world is waiting
Can you keep up
Everyone you see is racing
And you
You know what you are
It's true
You will go find'Cause you got the night
To light up the sky
Meteorite in front of every eye
A shooting star
Your fame is a flame
As they watch you burn up
Turn up, turned up all the wayMeteorite
Meteorite
Meteorite
Meteorite
Meteorite
Meteorite
Meteorite
MeteoriteSo here we go
Wasn't it what all you saying
Put on your show
Oh try to make it entertaining
And you
Know what you are
It's true
You will go find'Cause you got the night
To light up the sky
Meteorite in front of every eye
A shooting star
Your fame is a flame
As they watch you burn up
Turn up, turned up all the wayMeteorite
Meteorite
Meteorite
Meteorite
Meteorite
Meteorite

Meteorite
MeteoriteMeteorite
Meteorite
Meteorite
Meteorite
Meteorite
Meteorite
Meteorite
Meteorite'Cause you got the night
To light up the sky
A meteorite in front of every eye
A shooting star
Your fame is a flame
As they watch you burn up
Turn up, turned up all the wayYeah you have to turn up all the way
Yeah you have to turn up all the way
Yeah you have to turn up all the way
Yeah you have to turn up all the way
Yeah you have to turn up all the way
