

Can You Control Yo Hoe (feat. Soopafly)

Snoop Dogg

Niggas, get your milla genuine draft, 'cause it's milla time

We about to go hard on these hoes on this one right hereCan you control your hoe?

(You got a bitch that won't do what you say)

You can't control your hoe?

(She hardheaded, she just won't obey)

Can you control your hoe?

(You've got to know what to do, and what to say)Listen, you've got to put that bitch in her place

Even if it's slapping her in her face

You got to control your hoe

Can you control your hoe?

I went to your house, your girl came in and started cussing you out

You should have slapped her in her face, I wanted to tell you

But it wasn't my place, I kept it on the low, 'cause I know you

Was gonna check that hoe, but instead, you was quiet as a mouse

Maybe you started to think it wasn't your house'Cause she was acting like a nut, you got a kind of bitch

That would kick your butt, what kind of pimp holds back?

Never met a bitch that a pimp can't slap, what's wrong with the pimpin'?

Why you get a whippin'? All I got to say is thisCan you control your hoe?

(You got a bitch that won't do what you say)

You can't control your hoe?

(She hardheaded, she just won't obey)

Can you control your hoe?

(You've got to know what to do, and what to say)

Listen, you've got to put that bitch in her place

Even if it's slapping her in her face

You got to control your hoe

Can you control your hoe?This is what you made me do, I really didn't want to put hands on you

But bitch you playin' with fire, I'm so sick and tired

Of loud mouth bitches like you, a nigga had to go and put tips on you

'Cause bitch you playin' with fire, I'm so sick and tiredThis is what you forced me to do, I really didn't want to
put hands on you

But bitch you playin' with fire, I'm so sick and tired

Of loud mouth bitches like you, a nigga had to go and put tips on you

Bitch you playin' with fire, I'm so sick and tiredCan you control your hoe?

(You got a bitch that won't do what you say)

You can't control your hoe?

(She hardheaded, she just won't obey)

Can you control your hoe?

(You've got to know what to do, and what to say)Listen, you've got to put that bitch in her place

Even if it's slapping her in her face
You got to control your hoe
