Two (Live In Porto)

Ryan Adams

If you take me back
Back to your place
I'll try not to bother you
I promise'Cause it's cold in here
And I wish it was hot
The sink's broke
It's leaking from the faucetAnd I'm fractured
From before
And I wanna go home
Now it takes two
And it used to take one
It takes two
And it used to take only oneWell, my money's no good
When I'm up to no good
No good ever comes from it all
I got a really good heart
I just can't catch a break
If I could, I'd treat you like you want me to
I promiseBut I'm fractured
From before
Ooo, and I wanna go home
I'm fractured
From before
And I wanna go homeIt takes two
And it used to take one
It takes two
And it used to take one
It takes two
And it used to take one
It takes two and it used to take only one
