Molly

Alex G.

Tell me what you want and I'll give it to you
You name it easy, baby, I'll name it
Would you name dispongent monkey
I'll go on and name it too
Molly
Molly
Molly
Cough me a glob of hardened mercy and I'll zip it
Tell you fetch that mercy and you know, I'm gonna fetch it too
You fetch, you fetch that mercy
And you know he's gonna dig it too
Molly
Molly
Molly
So tell it to me baby and tell me wishes oooh
Come on the beat's approaching and it's time to stop on
Baby, Eddie Dingle's coming over and Bobby's Uncle
Molly
Molly
Molly
Actually, rip van winkle and a-tinkle dinkle dinkle
Rip Van Winkle say,"Fuck you"
Man I miss you man, rip Van Winkle say, "Fuck you"
Molly
Molly
Molly
Tell me what you want and I'll give it to you
You name it easy, baby, I'll name it oooh
You name dispongent monkey
I'll go on and name it too
Molly
Molly
Molly
Cough me a glob of hardened mercy, you'll see a nuzzle
Tell you fetch that mercy and you know I'm gonna fetch it too
You fetch, you fetch that mercy
And you know he's gonna dig it too
Molly
