

# Let Me Be The One

Def Leppard

Somethin' in the way you move  
Let's me get too close to you  
I tremble when I look at your face  
And I don't want all the world to see  
Tonight the world belongs to me  
Touch me with your animal grace  
Put your hand on my heart  
And feel the need in me  
Let me be the one  
Lead me into temptation  
And show me the right side of wrong  
Let me be the one  
Take me in from the cold  
Gimme somethin' to hold  
Let me be the one  
Let me be the one  
Burnin' in the afterglow  
Catch the wind and let it go  
Washed away like words in the sand  
A passion that's so physical  
Electric and untouchable  
Don't wanna let it slip through my hands  
Put your hand on my heart  
And feel the need in me  
  
Let me be the one  
Lead me into temptation  
And show me the right side of wrong  
Let me be the one  
Take me in from the cold  
Gimme somethin' to hold  
Don't let this dream pass by  
Just spread your wings and fly  
Reach out and touch  
Let your heart just breathe me in  
(I'll be your oxygen)  
Put your hand on my heart  
Feel the need in me  
Let me be the one

Lead me into temptation  
And show me the right side of wrong  
Let me be the one  
Take me in from the cold  
Gimme somethin' to hold  
Let me be the one  
Let me be the one  
Oh ho, let me be the one  
Let me be the one
