Relentless

6:22

I toss and turn, I'm losing sleep
Can't seem to make any sense of anything
I keep wandering around in circles, in a daze
Just when I start awakening
I find that something's intoxicating me
Till I'm tangled up, lost inside a maze
I can't outrun it, just keeps comin'
Oh, your love is relentless
Just like the waves against the sand
Over and over and time and time again
Your love keeps on reaching out to me
I can't outrun it, just keeps comin'
Oh, your love is relentless
I can't fight it, there's no hiding
Oh, your love is relentless
I'm staring at a hurricane
A hundred miles of rapid rain
I just smile and bleed into the wind
'Cause I can't outrun it
I can't outrun it, just keeps comin'
Oh, your love is relentless
I can't fight it, there's no hiding
Oh, your love is relentless
Yeah, I toss and turn, I'm losing sleep
Can't seem to make any sense of anything
I keep wandering around in circles, in a daze
Just when I start awakening
I find that something's intoxicating me
Till I'm tangled up, lost inside a maze
