Days

Elvis Costello

Thank you for the days
Those endless days, those sacred days you gave me
I'm thinking of the days
I won't forget a single day believe meI bless the light
I bless the light that shines on you believe me
And though you're gone
You're with me every single day believe meDays I remember all my life
Days where you can't see wrong from right
You took my life
And then I knew that very soon you'd leave meBut it's alright
Now I'm not frightened of this world believe me
I wish today could be tomorrow
The night is dark, it just brings sorrow, let it waitThank you for the days
Those endless days, those sacred days you gave me
I'm thinking of the days
I won't forget a single day believe meI bless the light
I bless the light that shines on you believe me
And though you're gone
You're with me every single day believe meDays I remember all my life
Days where you can't see wrong from right
You took my life
And then I knew that very soon you'd leave meBut it's alright
Now I'm not frightened of this world believe me, daysThank you for the days
Those endless days, those sacred days you gave me
I'm thinking of the days
I won't forget a single day believe meI bless the light
I bless the light that shines on you believe me
And though you're gone
You're with me every single day believe me, days
