Recess

Skrillex, Kill The Noise

Resuscitate in my sleep
I wake to see you're never here
And that losing yields another year
Face your hopes and fearsAnd I wish I could believe there was more
Hopes suffocating and you've used my lifeAnd the planes and trains are to blame
For tempting us to refrain
And to cut the cord and this every word
Of a truce absurdAnd I wish I could believe there was more
Hopes suffocating and you kissed my lifeI could believe there was more
Hopes suffocating yeah the hopes suffocating
Yeah the hopes suffocating and you kissed my life
