Vs 1
Look in my eyes, there's a fire
(My SuperPower)
And my skin's just like iron
(My SuperPower)
See the claws coming out for
(My SuperPower)
I'm no alien, but you'll see
(My SuperPower)Chorus
Heroes are born in the ashes of the living dead
In the streets were the battles I won't forget
At the top is my final but my finest hour
I'm no alien, but you'll see my SuperPowerVs 2
Out of the madness, the baddest
Will rise on top
Better than legend
'Cause I won't stop
Moment to own it,
My finest hour
I'm no alien but you'll see my superpowerChorus
Heroes are born in the ashes of the living dead
In the streets were the battles I won't forget
At the top is my final but my finest hour

I'll steal the fire than I'll blow your mind with my SuperPower
Can't stop the fight to take back the night with my SuperPower
