Sex Therapy

Robin Thicke

Whoa (4X)Stressed out, uptight, over worked wowÂ’d
Unleash what you got letÂ’s explore your naughty side
Follow me, where weÂ’re going we donÂ’t need no bread crumbs
Cant you see, baby
YouÂ’re the only one
You are among the
Few (hard woman)?
Let me be your medicine.
Cuz I got one thing on my mind, IÂ’ll be your valentine
Spread your wings and baby fly away(Chorus)
ItÂ’s your body, we can love it you want to
Love if you want to, scream if you want to
Just let me love you lay right here, girl donÂ’t be scared of me
Give you sex therapy
Give you sex therapy
ItÂ’s your body, weÂ’ll go hard if you want to
As hard as you want to, soft as you want to
Just let me love you lay right here, IÂ’ll be your fantasy
