Two Beds And A Coffee Machine

Savage Garden

And she takes another step
Slowly she opens the door
Check that he is sleeping
Pick up all the broken glass and furniture on the floor
Been up half the night screaming
Now it's time to get away
Pack up the kids in the car
Another bruise to try and hide, another alibi to write
Another ditch in the road, you keep moving
Another stop sign, you keep moving on
And the years go by so fast
Wonder how I ever made it through?
And there are children to think of
Baby's asleep in the backseat
Wonder how they'll ever make it through
This living nightmare
But the mind is an amazing thing

Full of candy dreams and new toys and another cheap hotel
Two beds and a coffee machine but there are groceries to buy
And she knows she'll have to go home
Another ditch in the road, you keep moving
Another stop sign, you keep moving on
And the years go by so fast
Wonder how I ever made it through?
Another bruise to try and hide, another alibi to write
Another lonely highway in the black of night
There's hope in the darkness
You know you're gonna make it
Another ditch in the road, keep moving
Another stop sign, you keep moving on
And the years go by so fast
Silent fortress built to last
Wonder how I ever made it?
