Lovin' the Physics

Uncle Outrage

Lovin' the physics.
Lovin' the truth.
This ball would fall the same speed as you
On the moon.No air resistance.Mr. G please help me.
Little boys and little girls sing,
"Help me find this vector's bearing."
Here's acceleration, find the mass.
I don't want to fail this class.

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
