Will Bending

Grade

When opinion is brought
On by suggestion
The anecdote is not evidence
Enough for handoutsOf daily anesthetic
To disguise the next disappointment
Or as eating brains
Can cure primitive intellectThe history of my mistakes
Bases on the pretense
Of being paid to paint
Over spiders as importantOf daily anesthetic
To disguise the next disappointment
Or as eating brains
Can cure primitive intellectInstead of listening to the leaves
As they amplify the beat, the beat of the rain
We take a hammer to the head
We take a hammer to the head
