Love In Store

Popium

Oh please don't wake me, I'm sleeping still
It's just a matter of taking the right pill
Like a supersonic aeroplane
I am flying when I'm dreaming
Too many hours of the day I see
Short people try to take control of me
Little creatures leave me paralyzed
Try to tell me that I'm bleeding

Oh, but I don't mind cause I've got you
To make this dream come true
And I have got a lot of love in store
And I'm always gonna give you some more

Oh, I don't mind cause I've got you
To make this dream come true
Cause I have got a lot of love in store
And I'm always gonna give you some more (yeah, yeah)

A lot of love in store

So please don't wake me, I'm sleeping still

It takes a little time to find the latest thrill
A lot of money in a big brown bag
Gonna buy myself a river
And down the river I will sail away
And every single day will be a Saturday
Little creatures try to pin me down
They're really good, but I am better

Oh, but I don't mind cause I've got you
To make this dream come true
And I have got a lot of love in store
And I'm always gonna give you some more

Oh, I don't mind cause I've got you
To make this dream come true
And I have got a lot of love in store
And I'm always gonna give you some more

Yes, I'm always gonna give you some more (yeah, yeah)

A lot of love in store
(Ooooh, yeah)
