## Youssou N'Dour

Have a clear mind  
Be pure in your heart  
Be sure in your actions  
One day all the world's musicians will meet  
Music has no frontiers  
One day the Americans  
Will find a new vision  
And the Russians too  
Will see life in a different way  
For there are too many weapons  
And war is terrible  
I have a vision of all Africa  
Being united one day  
Give me your hand  
Give me one chance to know  
What do you think,  
For the future?  
The young people are crying  
Because the older ones are frightening them  
That's what makes me sad  
They are crying because  
They have no hope
