Dust You Down

Kieran Goss

Now re. the situation
I think I see it right
Was it just imagination
When everything seemed bright
You can say that I'm mistaken
Or just stepping out of line
But all I'm trying to tell you
This is just a waste of timeNow I am like my father
Don't like to hang around
Don't take me for another
These lost and newly found
You can blame it on the reason
You can blame it on the rhyme
But all I'm trying to tell you
This is just a waste of timeNow there's nothing here to hold me
'Cause there's nothing here to lose
And everything before me
Is everything I choose
So don't make it any harder
If you would be so kind
'Cause all I'm trying to tell you
This is just a waste of time
This is just a waste of time
This is just a waste of time
