Over The Edge

Zebrahead

She wants to know, wants to know where I've been
She's got the gloves on, she's got the gloves on again
She thinks she's smooth, thinks she's smooth, now I'm saying
That I'm not going down
(I'm not going down)You say this ain't the end to me, fall down, pull the rug under me
Feels like I'm falling but I tell you, I'm not going down
One day, you'll be the end of me, go blind, pull the wool over me
Feels like I'm falling but I tell you, I'm not going downBecause you push me, push me over the edge
Tired of wasting my time, tired of wasting my breath
Because you push me, push me over the edge
Tired of wasting my time
Tired of putting me through this again, through this againShe wants to fight, wants to fight and I've been drinking
We put the walls up, we put the walls up again
I know she's right, know she's right that I'm tripping
But I'm not going down
(I'm not going down)You say this ain't the end to me, fall down, pull the rug under me
Feels like I'm falling but I tell you, I'm not going down
One day, you'll be the end of me, go blind, pull the wool over me
Feels like I'm falling but I tell you, I'm not goingPush me, push me over the edge
Tired of wasting my time, tired of wasting my breath
Because you push me, push me over the edge
Tired of wasting my time, tired of putting me through this againBecause you, never did try, never did look to see that I'm alright
(Whoa)
Because you're, always right, gotta fight, always wanna know
(Whoa)
Because you, never did try, never did look to see that I'm alright
(Whoa)
Because youBecause you push me, push me over the edge
Tired of wasting my time, tired of wasting my breath
Because you push me, push me over the edge
Tired of wasting my time, tired of wasting my breathBecause you pushed me, push me, you push me
Pushed me, push me over the edge
Because you pushed me, push me, you push me
Why to do it, you're putting me through this again
Through this again, through this again
