(Boom, Boom, Boom, Boom) Everybody Fall Down

The Applejacks

Boom, boom, boom, boom, she made my heart fall
A-boom, boom, boom, boom, she made my head spin round and round

When she walks up and down
Every fella in the town wants to know her
But I know her
And it's boom, boom, boom, boom, everybody fall down
Hit the ground when she comes

Boom, boom, boom, boom, she made my heart fall
A-boom, boom, boom, boom, she made my legs all tremble
Get the door

You just gotta watch her go
But therefore you should know what I mean
If you feel it
And it's boom boom boom boom, everybody fall down
Hit the ground when she comes

Boom, boom, boom, boom, she made my heart fall
A-boom, boom, boom, boom, she made my legs all tremble
Get the door

You just gotta watch her go
But therefore you should know what I mean
If you feel it
And it's boom boom boom boom, everybody fall down
Hit the ground when she comes

When she comes
When she comes
When she comes
