Long Distance Runaround

Anderson Bruford Wakeman Howe

Long distance run around
Long time
Waiting to feel the sound
I still remember
The dream there
I still remember
The time you said goodbye
Did we really tell lies?
Lettin' in the sunshine
Did we really count to one hundred?Cold summer listening
Hot color
Melting the anger to stone, oh ho
I still remember
The dream there
I still remember
The time you said goodbye
Did we really tell lies?
Lettin' in the sunshine
Did we really count to one hundred?Long distance run around
Long time
Waiting to feel the sound
I still remember
The dream there
I still remember
The time you said goodbyeCold summer listening
Hot color
Melting the anger to stone
I still remember
The dream there
I still remember
The time you said goodbye
Did we really tell lies?
Lettin' in the sunshine
Did we really count to one hundred?
Looking for the sunshine
