Shine (Remix)

Newsboys

Dull as dirt, you can't assert the kind of light
That might persuade a strict dictator to retire
Fire the army, teach the poor origami
The truth is in, the proof is when
You hear your heart start asking
"What's my motivation?"And try as you may, there isn't a way
To explain the kind of change
That would make an Eskimo renounce fur
That would make a vegetarian barbecue hamster
Unless you can trace this
About face to a certain signShine
Make 'em wonder what you've got
Make 'em wish that they were not
On the outside, looking boredShine
Let it shine before all men
Let'em see good works and then
Let 'em glorify the LordOut of the shaker and onto the plate
It isn't Karma, it sure ain't fate
That would make a deadhead sell his van
That would make a schizophrenic turn in his crayons
Oprah freaks and science seeks a rationale
That shall excuse this strange behaviorWhen you let it shine, you will inspire
The kind of entire turnaround
That would make a bouncer take ballet
Even bouncers who aren't happy
But out of the glare with nowhere to turn
You ain't gonna learn it on, "What's My Line?"Shine
Make 'em wonder what you've got
Make 'em wish that they were not
On the outside, looking boredShine
Let it shine before all men
Let'em see good works and then
Let 'em glorify the LordShine
Make 'em wonder what you've got
Make 'em wish that they were not
On the outside, looking boredShine
Let it shine before all men
Let'em see good works and then
Let 'em glorify the LordShine

Make 'em wonder what you've got
Make 'em wish that they were not
On the outside, looking boredShine
Let it shine before all men
Let'em see good works and then
Let 'em glorify the LordShine
Make 'em wonder what you've got
Make 'em wish that they were not
On the outside, looking boredShine
Let it shine before all men
Let'em see good works and then
Let 'em glorify the Lord
