Teacher's Pet

Pupil

You could be making the grade
You could be making the grade
Don't let your memory fade
Stop cramming when the meter starts running[Chorus]
Here kitty, kitty
You're looking so pretty
But I ain't got time to know
Who's coming tonight
I repeat, complete the equation
You plus me is a sure bet
Don't you know it's good to be the
Teacher's petWhen I saw you lurching
Like a sea urchin
I knew I had to make good
Like a good boy should
'Cause you got me thinkin'
You got me thinkin'You are a natural selection
A full-proof rule without exception
Let me indoctrinate you
While you indoctrinate meOn the ways of the world
You are my favorite girl(Repeat Chorus)Teacher's pet
