Earthquake

Newsboys

Time after time
Itâ€™s all the same
I forget who I am
I take Your place
The bigger I get
The harder I fall
I act like I donâ€™t need You at all
And one by one
My bridges burn
Until Iâ€™ve nowhere left to turn
But itâ€™s You whoâ€™s right there for me
And itâ€™s You who writes my story
I need an earthquake
To shake me until it breaks me down
Iâ€™m giving You everything
My prideâ€™s crashing to the ground
Shatter my walls
Let my kingdom fall
I donâ€™t wanna wear this crown no more
My heart is Yours to take
Itâ€™s You that can save me
Itâ€™s You that can shake me
I need an earthquake
I need an earthquake
Iâ€™ve lived on the edge
For way too long
Walking a tightrope on my own
When out of the dark
I heard You call
Now, into Your hands I surrender all
So take my heart and shape it up
To build me into what You want
â€˜Cause itâ€™s You who sees right through me
Youâ€™re the only one that moves me
I lift my hands
I lift my hands high
My heart is open
My heart is open wide
Show me life

Show me a new life
Where all thatâ€™s left
Where all thatâ€™s left is You and I
