No Forgiveness

Paradise Lost

I have seen for myself the rogues of all life born
And I'm lying through the night
My solemn end and a cold touch of death
Takes my hand, the only way, the only wayWell, I'm fighting for my life
And I'm wasting away
The time I've got left
The only way, the only wayHearing you talk
Is a waste of silence
I can't bare, I no longer care
I no longer care, no longer careI create the cross that I must wear
And I am flying
To my plight successfully
The only way
(Oh, the only way)Turning around to an empty space
I cried despair, I no longer care
I no longer care, I no longer careFeelings, feelings of remorse
Now locked away
Another day to live againFeeling the pressure high
Holding on to the fire
