Forgotten Generation

One Way System

forgotten generation what is wrong with the day
forgotten generation what is wrong with the way
forgotten generation need a better life
forgotten generation need a place that fits the priceliving for nothing on the dole
nothing to do, nowhere to go
living for nothing, nothing to say
we ain't got no money but we still gotta payforgotten generation are the rebels with a cause
forgotten generation it's their own game with laws
forgotten generation are the people of today
forgotten generation, games of violence is what they play
