Cornbread

Sugar Free Allstars

[Sean sings:]Maybe I'm a cornbread straight motherfucker
Maybe I'm a worn out featherless hand
Maybe I'm a cornbread straight motherfucker
Maybe I'm a worn out featherless hand
Or maybe I'm just picking seed from the wrong one and
[Both sing:]I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
No?
[Sean sings:]La dada da da-da da
(Oh, oh, oh, oh, oh, oh, oh, oh)
La dada da da-da da
(Oh, oh, oh, oh, oh, oh, oh, oh)
Maybe I'm a one horse town motherfucker
Maybe I'm used up worn out man
Maybe I'm a one horse town motherfucker
Maybe I'm used up worn out man
Or maybe I'm just barking up the wrong tree and
[Both sing:]I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?

[Sean sings:]You spend all your life
Dicking at, dicking away at the wrong life
You're a traitor!
(Oh, oh, oh, oh, oh, oh, oh, oh)
You're a traitor!
(Oh, oh, oh, oh, oh, oh, oh, oh)
You spend all your time
Dicking at, dicking away at the wrong life
You're a traitor!
(Oh, oh, oh, oh, oh, oh, oh, oh)
You're a traitor!
(Oh, oh, oh, oh, oh, oh, oh, oh)

[Both sing:]Maybe I'm a spineless
weak-kneed
yellow bellied he she
Maybe I'm an undercover deadbeat
Suffering cold feet
Maybe I'm a spineless
weak-kneed
yellow bellied he she
Maybe I'm an undercover deadbeat
Suffering cold feet
Or maybe I'm just shooting with the wrong gun and
[Both sing:]I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
Oh
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?

Oh
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
Oh
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
Oh
I'm a cornbread
Can I meet you?
Can I meet you?
Can I meet you?
No
