The Rise

Mycelia

Welcome to my world
To my circus of make believe
I'll be your messiah
You'll worship at my feet
You're into your world
Oh, your imaginary king
Will you bend down before me
And will you remember me?
Take me, change me, love me
A crown of thorns on my heart
Change me, save me, will you love me
Forever nailed to your cross?
Dying for you
Will I lie to thousands?
Our God is you
Am I deceit?
Falling for you
I am the God man
Our God is you
You're all at my feet
