People Hate Me

Murderdolls

I'm wretched I'm infested rejected and infected
I'm a loser I'm a winner a born again sinner
Cut my throat and watch me bleed addicted tragedy
And I hate you and you hate me
So stand in line motherfuckers don't waste my time
See me in the headlines
Manipulate your simple minds
So put your hands up and praise
I'm your God and you're my slave
And people hate me 'cause I'm better than you
And people hate me
And that's the motherfuckin' truth
People hate me and you can all fuck off
I'm perfect pissed off beautiful, I'm God
I'm a hooker I'm your priest
I'm you brand new disease
I'm Satan with distortion your overdue abortion
And now I'm singin' out of key the God of your TV
And all you children will worship me
So give me drugs your bitches and your S.T.D's
See me in the headlines
Manipulate your simple minds
So put your hands up and praise
I'm your God and you're my slave
And people hate me 'cause I'm better than you
And people hate me
And that's the motherfuckin' truth

People hate me and you can all fuck off
I'm perfect pissed off beautiful, I'm God
I'm wicked addicted middle finger double fisted
I'm neurotic drug induced and chemically abused
Cut my throat and watch me bleed addicted tragedy
And I hate you and you hate me
Wipe the snot on to my sleeve for I'm your new disease
See me in the headlines
Manipulate your simple minds
So put your hands up and praise
I'm your God

I'm homicide on parade
A bloody nose serenade
I'm a human hand grenade
I'll never rot and never go away
And people hate me 'cause I'm better than you
And people hate me
And that's the motherfuckin' truth
People hate me and you can all fuck off
I'm perfect pissed off beautiful, I'm God
And people hate me 'cause I'm better than you
And people hate me
And that's the motherfuckin' truth
People hate me and you can all fuck off
I'm perfect pissed off beautiful, I'm God
