The Shake

I:Scintilla

Some men are attracted to a pair of big blue eyes
It takes a pretty face just to make their temperature rise
Looks aren't that important, just icing on the cake
What really turns me on is the shakeShake it to the left, shake it to the right
Come on baby, you know what I like
Shake it real funky, shake it real low
Shake it 'til you can't shake it no moreIt's a natural attraction
Mother nature wouldn't make a mistake
What really turns me on is the shakeAnd Eve first said to Adam, "Which outfit do you like?
The maple or the fig leaf, now, honey they both look nice"
Clothes don't mean that much to me
Maybe you better go and ask the snake
And what really turns me on is the shakeShake it to the left, shake it to the right
Come on baby, you know what I like
Shake it real funky, shake it real low
Shake it 'til you can't shake it no moreIt's a natural attraction
Mother nature wouldn't make a mistake
What really turns me on is the shake
(Shake it)Gary, Indiana, Mobile, Alabama
Phoenix, Arizona, Bismarck, North Dakota
New York, L.A. Houston, Tampa Bay
London, Tokyo, everywhere you goShake it to the left, shake it to the right
Come on baby, you know what I like
Shake it real funky, shake it real low
Shake it 'til you can't shake it no moreIt's a natural attraction
Mother nature wouldn't make a mistake
And what really turns me on is the shake
What really turns me on is the shakeLet's do the shake
Let's do the shake
Shake, shake, shake
