

# Little Brown Dog

Judy Collins

I buyed me a little dog its color it was brown  
Taught him to whistle to sing and dance and run  
His legs they were fourteen yards long his ears they were broad  
Round the world in half a day on him I could ride  
Sing terry O' day I buyed me a little bull he was four inches high  
Everybody feared him who ever heard him cry  
When he began to bellow he made such melodious sound  
That all the walls in London came tumblin' to the ground  
Sing terry O day  
Sing taddle day I buyed me a flock of sheep thought they were all wethers  
Sometimes they yielded wool sometimes yielded feathers  
I know mine are the very best sheep for yield and increase  
Every full and turn of the moon they bring forth lambs and geese  
Sing terry O day  
Sing taddle day I buyed me a little glass colored it was green  
In it was all the wonders man has ever seen  
I put in my pocket tied up with a cloth  
Cried and cried the day I found that it had been lost  
Sing terry O day  
Sing taddle day
