Live It Up

Pigeons Playing Ping Pong

She drags me to the floor
Everybody knows just what she wants it for
But we know to ignore
Everything is alrightShe asks me for some more
Everybody knows I've done this dance before
I dip her to the floor
Everything is alrightOh it's your chance, don't refuse it
Live it up
So we can dance to the moon
Live it up
Oh it's your chance, don't refuse it
Live it up
So we can dance to the moonYou act like I don't know
Everybody sees right through the hand you show
And me I'm just a pawn
Like everything in your lifeI even up the score
Everybody knows I've taken chances more
Let's chase it through the dawn
Like everything is alrightOh it's your chance, don't refuse it
Live it up
So we can dance to the moon
Live it up
Oh it's your chance, don't refuse it
Live it up
So we can dance to the moonOh it's your chance, don't refuse it
Live it up
So we can dance to the moon
Live it up
Oh it's your chance, don't refuse it
Live it up
So we can dance to the moon
