Heaven

Paul Wright

Heaven, Heaven, Heaven
Heaven, Heaven, Heaven
Heaven, HeavenI wanna know what it's like
To be in Heaven
Looking back on my life
Having answers to my questions'Cause we don't belong here forever, no, no
We don't belong hereAnd we'll be dancing, singing, bringing our praises
By lifting our voices to Jesus
They'll be no more crying, lying, dying
When you and I are in heavenI wanna know what it's like
To live forever
Embraced by the light
Of knowing you better, Lord'Cause we don't belong here forever, no, no
We don't belong hereAnd we'll be dancing, singing, bringing our praises
By lifting our voices to Jesus
There'll be no more crying, lying or dying
When you and I are in Heaven, yeah'Cause we don't belong here forever, no, no
We don't belong hereWe, we, we gonna be dancing, singing
Lifting our voices to Jesus
There'll be no more crying, lying or dying
When you and I are in HeavenWe'll be dancing, singing, bringing our praises
By lifting our voices to Jesus
There'll be no more crying, lying or dying
When you and I are in Heaven, yeahTake me home
I want to go home
I wanna be in Heaven
Just singing and dancing
And praising and living forever
