Sweet Mexicana

Subrosa Union

Sweet Mexicana!

D9T fill up me
Puffin' HG gettin' poonani
It grew on me like a sensi seed
Immense, the need for me to please
Every situation with the fire make it
I give it what I got I hit the right spot
Tell me in my ear just to make it clear
Whatever you want I'll make it magically appear...JEAH!

Grab me by the hand you know i want to dance
We be feeling rhythms I'll be flowing smooth not fast
Just to let you know I want to take you home
If you flaunt it then I'm on it sweet mexicana!
Come on let's saddle up let's go for that ride
That you promised me from the east to west side
Let you know I wanna take you home
If you flaunt it then I'm on it sweet mexicana!

Ooh lordy the perfect scene
A beauty queen on top of me
A definite please to say the least
I give it all i could and I plunge into the deep
You know i gotta get it I gotta find the treasure
I'll go to any measure just to cause some pleasure
So make it quick, make this dick slick (POP!)
Baby tonight i think that your are my pick...Jeah!

Grab me by the hand you know i want to dance
We be feeling rhythms I'll be flowing smooth not fast
Just to let you know I want to take you home
If you flaunt it then I'm on it sweet mexicana!
Come on let's saddle up let's go for that ride
You promised me from the east to west side
Let you know I wanna take you home
If you flaunt it then I'm on it sweet mexicana!
