Hanging On (Edit)

Ellie Goulding

You know we can get away
Because I'm calling your name
Every day I feel this pain
But you just turn and walk awayI just can't keep hanging on
to you and me
I just don't know what is wrong
with you and meTouch me and then turn away
And put your hands into the flame
Tell me if you feel this pain
'Cause I don't want to be a ball and chain, noI just can't keep hanging on, to you and me
I just don't know what is wrong, with you and me
I just can't keep hanging on, to you and me
With you and me
With you and me
