Reverie (ft. King Deco)

Illenium

[Verse 1]
When you're screaming out
But you can't make a sound
You know
It's only a dream
When you're back hits the ground
And things turn around
You know
It was only a dream[Pre-Chorus]
Cause nothing is as bad as you think
Even when you're pulling at the seams
When the lights go out you still got me
Detours lead to barricades
And home is far, you're friends are fake
I'll be there to clear the wayAnd you
You know my love can hold you down
You know my love can hold you down
And you
You know my love can hold you down
You know my love can hold you down[Verse 2]
When the roof caves in
And you just can't win
You know
It'll only get better, only get better
When you fall too far
Can't go back to the start
You know
It'll only get better, only get better[Pre-Chorus]
Nothing is as bad as you think
Even when you're pulling at the seams
When the lights go out you still got me
Detours lead to barricades
And home is far, you're friends are fake
I'll be there to clear the wayAnd you
You know my love can hold you down
You know my love can hold you down
And you
You know my love can hold you down

You know my love can hold you down
