Well Done

Sound Images

I'm headed down this narrow road
Chosen by the few
And all that I know is
You told me to follow You

I'm taking a risk and leaving it all
Not knowing what I'll go through
But I'm not alone
As long as I follow You

So when my life's a leap of faith
I can hear You say

Well done, well done
I'm gonna chase You, Lord
I'm gonna show the world Your love, woah
I'll run, I'll run
I'm gonna run this race
To hear You say well done

If people walk with me, talk with me, looking for truth
They're gonna find out soon
If they're following me then
They're gonna follow You

So let my life speak loud and clear
Lord, I wanna hear

Well done, well done
I'm gonna chase You, Lord
I'm gonna show the world Your love, woah
I'll run, I'll run
I'm gonna run this race
To hear You say well done

I'm so glad that I get to serve You, Lord
You're the only One I am living for, woah
I'm gonna run straight into Your open arms
I'm gonna follow You with my all heart, woah, woah

Well done, well done
I'm gonna chase You, Lord
I'm gonna show the world Your love, woah
I'll run, I'll run
I'm gonna run this race
To hear You say well done

I'm gonna run this race
To hear You say well done
