Not Gonna Let You Walk Away

LOLO

I've been waiting on the phone to ring
I ain't so good about answering
Why am I always high when you show up?
Sometimes your lover can be a friend
But sometimes lovers need to start again
Maybe I need to start giving upIf you wanna keep the diamonds that you bought me
You can have them, it will your mama reason to smile
And we can keep on talking 'bout how all we need is magic
But the misdirection follow the miles
Oho, NOT GONNA LET YOU WALK AWAY
Oho, without saying you're sorry
Oho, without saying you're sorry
But I'm notWell you win one, then you lose them
And you can tip toe around every problem
We gave hospitality to the pain
Just be man enough to say you were wrong
I don't expect your judge
Oho, NOT GONNA LET YOU WALK AWAY
Oho, without saying you're sorry
Oho, without saying you're sorry
But I'm NOT GONNA LET YOU WALK AWAY
Oho, without saying you're sorry
