I Can Love

Creative Adult

I can love
I love the ocean
I love to look around when colors are strange
I love night
I love walking by myself when no one else is around
I love light
Always reflecting off the buildings at the end of the day
I love when the wind is blowing
I never understood what difference it makes
Push/Pull/Restrict/Require
I can love alone in silence
I let my mind wander for hours at times
Yes I love the hazy sequence
I recognize it as a sweet reverie
I can love the fleeting moments
I get to revisit whenever I want
I can love
It makes you nervous because it isn't how you want me portrayed
Push/Pull/Restrict/Require
Toss/Turn/Analyze/Abandon
I can love
