Sign of the Times

Night Ranger

I like watching sunsets
With no particular plans
I like drinking Jack and Coke
In some far away land
I like Rolling Stones records
They take their tea at three
I like making love outside
underneath a big oak tree
I like building castles
When they're made out on sand
I like watching the waves of the ocean
Wash away the works of man
Innocent pearl
Smash mouth girl
Will you share my world
Sign of the Times
Sign on tomorrow
Maybe I'm already there
Light up the sky
I'm too high to follow
The Sign of the Times
Hey hey hey
Do you like foreign movies
Like water for chocolate
Do you like walking in the rain
With holes in your pockets
Do you like drinking coffee
At an outdoor cafe
Dissing all the people
They're just trying to live their lies away
Smash their pearls
Trash their world
That's my girl
Sign of the Times
Sign on tomorrow
Maybe I'm already there
Light up the sky
I'm too high to follow
The Sign of the Times

Hey hey hey
The last I heard
Someone took my pot of gold
From the end of the rainbow
Sign of the Times
Sign on tomorrow
Maybe I'm already there
Light up the sky
I'm too high to follow
The Sign of the Times
Hey hey hey
Sign yea Sign yea Sign yea
Sign of the Times
Hey hey hey
I'm already gone
I'm too up to follow
The Sign of the Times
Yea yea yea
