Up, Up And Away (LP Version)

The Beloved

Step inside for some more of what you're missing or just aren't sure of.
Say goodbye to those dull days; inspiration will take you more ways.[Chorus]
Up, up and away. Hello new day.
Oh, you're gonna feel so crazy, you're gonna touch the sky.
You never felt so hazy, you've never been this high.
Just look around you, well it ain't no lie,
H - A - P - P - why !Come back down from your grey cloud, feel born again, say it out loud
Don't you know hope can be found, take your foot out your mouth, come back down[Chorus]
Yeah, give the world a message that the word is yes.
It's quite impressive, it's real fresh.
A little understanding is the reason why.
H - A - P - P - why !Up, up and away. Hello new day.
Up, up and away. Oh, hello new day.[Chorus starting from "Yeah, you're gonna feel so crazy]
[Chorus]
Up, up and away
Up, up and away
Up, up and away
Up, up and awayIt's been a while in making, this world, it's a loving harmony.
Man, it sure was bad, but baby, let your spirit free.(??? If you're singing along, just whisper ???)
(??? random psychedelic junk about spirits here. ???)
