Easy Lover

Philip Bailey & Phil Collins

Easy lover
She'll get a hold on you, believe it
Like no otherBefore you know it you'll be on your knees
She's an easy lover
She'll take your heart but you won't feel it
She's like no otherAnd I'm just trying to make you see
She's the kind of girl you dream of
Dream of keeping hold of
You'd better forget it
You'll never get it
She will play around and leave you
Leave you and deceive you
Better forget it
Oh, you'll regret it
No, you'll never change her, so leave it, leave it
Get out quick, 'cause seeing is believingIt's the only way
You'll ever know
She's an easy lover
She'll get a hold on you believe itLike no other
Before you know it you'll be on your knees
She's an easy lover
She'll take your heart but you won't feel itShe's like no other
And I'm just trying to make you see
You're the one that wants to hold her
Hold her and control her
You'd better forget it
You'll never get it
For she'll say that there's no other
'Til she finds another
Better forget it
Oh, you'll regret it
And don't try to change her, just leave it, leave itYou're not the only one, ooh seeing is believing
It's the only way
You'll ever know, oh
No, don't try to change her, just leave it, leave it
You're not the only one, 'cause seeing is believingIt's the only way
You'll ever know
She's an easy lover (she's a easy lover)
She'll get a hold on you, believe it (get a hold on you)(She's) like no other

Before you know it you'll be on your knees (you'll be down on your knees)
She's an easy lover
She'll take your heart but you won't feel it (you won't feel it)
She's like no other
And I'm just trying to make you see (trying to make you see)
She's an easy lover
She'll get a hold on you, believe it (get a hold on you)
And like no other
Before you know it you'll be on your knees
(you'll be down on your knees, yeah, yeah, yeah)
She's an easy lover
She'll take your heart but you won't feel it (you won't feel it)
