I Adore You

Phil Wickham

Mercy falls from your heart down on me
Glory streams from your face so lovely

A million words could not describe,
How marvelous your perfect life.

I adore you
I will sing it with all my heart
I adore you
I love everything you are

That my heart beats of the rythm of your heart
That my eyes focus on your beautiful eyes

A million tongues could not express
How beatiful your holliness

I adore you
I will sing it with all my heart
I adoore you
I love everything you are

My life is yours and will be forever
My life is yours

I adore you
I will sing it with all my heart
I adore you
I love everything you are

I adore you
I will sing it with all my heart
I adore you
I love everything you are

I adore you!
