Halo

Tinchy Stryder

Don't get stuck in the halo (don't, don't, Tinchy Stryder)
Cause you don't wanna let go (don't, don't)
Don't get stuck in the halo (don't, don't, Skyliner)
Cause you don't wanna let go (don't, don't)

Yo, as soon as I step in, scopin'
Early, soon as I get in,
And I came move words in danger,
For the guys here, to he's on the next ting
I can see you're the best in here,
And I've got room keys in my pocket ready,
Lift or stairs, just meet me there,
Said you can't breathe so I gave you air

I approach the girls with ease,
Somebody told 'em I've got keys,
The room number's 303,
So you play your role, I'll do me,
If you roll up, I will set you free,
If you need help, I can help you leave,
Come chill man, it's all on me

Don't get stuck in the halo (don't don't)
Cause you don't wanna let go (don't, don't)
Don't get stuck in the halo (don't, don't)
Cause you don't wanna let go (don't, don't)

It's like they're waiting over there,
When it's poppin' over here,
Why you waitin' over there? (No, oh)
I see you standin' over there,
When it's poppin' over here,
You start acting like you care, (Woah)
Don't get stuck in the halo

Yo, where's the love in here?
Come let me speak two lines in your ear,
You might just turn blind if you stare,
Too long with the thing in my ear,
Yeah, I'm here, alright then, selectin' the one that I'm likin'

I get around fast like I'm cyclin'
Gotta make sure that the night's excitin'

I approach the girls with ease,
Somebody told 'em I've got keys,
The room number's 303,
So you play your role, I'll do me,
If you roll up, I will set you free,
If you need help, I can help you leave,
Come chill man, it's all on me

Don't get stuck in the halo (don't don't)
Cause you don't wanna let go (don't, don't)
Don't get stuck in the halo (don't, don't)
Cause you don't wanna let go (don't, don't)

It's like they're waiting over there,
When it's poppin' over here,
Why you waitin' over there? (no, oh)
I see you standin' over there,
When it's poppin' over here,
You start acting like you care, (Woah)
Don't get stuck in the halo

Can you see that room, are you liking that?
I got the keys to the door no latch,
Come join me, be my match,
I'll keep it low to the floor like mats,
I aint tryin to rush in' this
But keep up, I don't wanna lose you Miss,
And I caught your drift,
I can see you know what time this is

I approach the girls with ease,
Somebody told 'em I've got keys,
The room number's 303,
So you play your role, I'll do me,
If you roll up, I will set you free,
If you need help, I can help you leave,
Come chill man, it's all on me

Don't get stuck in the halo (don't don't)
Cause you don't wanna let go (don't, don't)
Don't get stuck in the halo (don't, don't)
Cause you don't wanna let go (don't, don't)

It's like they're waiting over there,
When it's poppin' over here,
Why you waitin' over there? (No, oh)
I see you standin' over there,
When it's poppin' over here,
You start acting like you care (whoa)

Don't get stuck in the halo
Cause you don't wanna let go
Don't get stuck in the halo (Cloud nine)
Cause you don't wanna let go (don't don't)
Cause once it's gone it's gone for life
