Devil Man

Blues Pills

Oh, devil man, Oh, devil man
You've got money in your pocket
you've got blackness in your soul
Oh, devil man, Oh, devil manYou've got money in your pocket
you've got blackness in your soul
Oh, devil man, Oh, devil manYou think you've got the answer
But you would never know
Oh, devil man, Oh, devil manYou take diamonds you've been given
And you turn them into coal
Oh, devil man, Oh, devil manYou ain't got no reason
and your heart's a dirty hole
Oh devil man, Oh, devil man,Oh, devil man, Oh, devil man,
Your feeble mind is wicked
You're never gonna learnOh, devil man, Oh, devil man,
To late to be forgiven
You've got what you deservedOh, devil man, Oh, devil man,There's evil, evil inside of you growing,
Evil, evil inside of you showing,
Evil, evil inside of you glowing
Evil, you're such a devil manOh, devil man, Oh, devil man,
Your feeble mind is wicked
You're never gonna learnOh, devil man, Oh, devil man,
To late to be forgiven
Your soul is gonna burnOh, devil man, Oh, devil man,Oh, devil man,
Oh, devil man,
Oh, devil man,
Oooh, oooh, devil man,
Oooh, devil man,
Oooh, devil man,
Oooh, devil man.
