Caught Up In The Rapture (CJ Giovanni Edit CDR)

Anita Baker

CAUGHT UP IN THE RAPTURE
Anita BakerWhen we met, I always knew
I would feel the magic for you
On my mind constantly
In my arms is where you should beI love you here by me, baby
You let my love fly free
I want you in my life for all timeCaught up in the rapture of love
Nothing else can compare
When I feel the magic of youWe stand side by side
Till the storms of life pass us by
Light my life, warm my heart
Say tonight will be just a startI love you here by me, baby
You let my love fly free
I want you in my life for all timeCaught up in the rapture of love
Nothing else can compare
When I feel the magic of you
The feeling's always new
Caught up in the rapture of youI love you here by me, baby
You let my love fly free
I want you in my life for all timeCaught up in the rapture of love
Caught up in the rapture of love
