Heal

Black Cherry Cirkus

Don't forget me, bring me down
Don't let me promise you
Things I cannot do
This infection adds to my collection
Hoard my pain
And show it to you one day
You alone indeed, you sing so adamantly
And it fills my mind with thoughts so fine
Don't ask too much of me oh
Heal me now, heal me now
Heal me now, heal me now
Don't erase me cut me out replace me
I'm still here I'm not going anywhere
You alone indeed you sing so adamantly
Let it free what ever is locked inside
Don't ask too much of me
Heal me now, heal me now
Heal me now, heal me now
