

This Man

Graffiti6

I'm a stained lover
No recover
Since you said goodbye

Feels the same
There's no change
Lost in your eyes
Like ol' times

So I say
Oh darling
Please baby
Love this man
Put your arms around me and we can
Love together
Stay
Let's be in love
One more time

Lost baby
Feel empty
So reach out for this man

I said it
Now regret it
The crazy, crazy goodbye

So I say
Oh darling
Please baby
Love this man
Put your arms around me and we can
Love together
Stay
Let's be in love
One more time
