you cast a spell (i cast my spell)
masked destroyed, little witch
your beautiful, apocalypseyou got me bewitched
cause' i'm under you're spell (oh-ohh-oh)
you must be a witch
cause' i'm living in hell (ohh-oh-ohh)now is the time, now is the hour,
i am the magic, i am the power,
all i need is one star in the sky
wish for you every nighti tricked you to fall in love, little boy
i played with you till' i was done, like a toy

to take back my heart,
to take back my power
this is the moment
to break your spell
i see right through you,
now burn in hell (you're gone) (x2)now is the time, now is the hour
to take back my heart,
to take back my power
this is the moment
to break your spell
i see right through you,
(burn in hell witch)you got me bewitched
cause' i'm under you're spell (oh-ohh-oh)
you must be a witch
cause' i'm living in hell (ohh-oh-ohh)now is the time, now is the hour,
i am the magic, i am the power,
all i need is one star in the sky
