Still Standing

Z-ro

I want you to remember
First kiss you ever had
When our lips met together
I knew that was that
I'm still standing
Keeping you dancing, yeah
You know you want it
I'm still going
Making the party blow
The way you like it
(The way you like it)
Do you wanna hear me sing
Pop pop pop pop
'Cause I don't think I wanna stop
(Don't make me stop)
And I love it when my beats
Drop whaooo
Yeah it makes me feel hot
Guess whose back on top
(Whaooo)
I'll happily surrender
To your desire
A touch so warm and tender
Is setting me on fire, hmm
I'm still standing
Keeping you dancing, yeah
You know you want it
I'm still going
Making the party blow
The way you like it
Do you wanna hear me sing
Pop pop pop pop
'Cause I don't think I wanna stop
(Don't make me stop)
And I love it when my beats
Drop whaooo
Yeah it makes me feel hot
Guess whose back on top
(Whaooo)

Funking to this sound
We're gonna get down
Pop, stop, drop, hot
(Do you wanna hear me sing)
Pop pop pop pop
('Cause I don't think I wanna)
Stop
Don't make me stop
(And I love it when my beats)
Drop whaooo
(Yeah it makes me feel)
Hot
Guess whose back on top
(Whaooo)
Do you wanna hear me sing
Pop pop pop pop
'Cause I don't think I wanna, stop
(Don't make me stop)
And I love it when my beats
Drop whaooo
Yeah it makes me feel, hot
Guess whose back on top
(Whaooo)
Do you wanna hear me sing, pop
'Cause I don't think I wanna, stop
(Don't make me stop)
And I love it when my beats, drop
Yeah it makes me feel, hot
Guess whose back on top
